**A revolution...
A new look Oxford Landing**

Something very exciting is looming at Oxford Landing - a new look that is more contemporary and more elegant. "The new look is an revolution for the brand and one we're particularly excited about", says Winemaker Teresa Heuzenroeder.

As well as a new look, Oxford Landing wines will be sealed in screw-cap closure, meeting increasing demand for the convenience of screw-cap and continuing Oxford Landing's commitment to quality and convenience and assurance that the wine will be delivered as intended

Oxford Landing varieties:

- * Oxford Landing Sauvignon Blanc
- * Oxford Landing Chardonnay
- * Oxford Landing Cabernet Sauvignon & Shiraz
- * Oxford Landing Merlot
- * Oxford Landing Shiraz

The Vineyard

The Oxford Landing vineyard was established in 1958 on the banks of the Murray River in South Australia. It's an idyllic place, distinguished by clear blue skies, rich red soil and is abundant in golden sunshine.

Oxford Landing's philosophy is simple, to create wines with optimal varietal character and flavour. This begins with the care and attention devoted to the family's 650 acre vineyard - it's managed and nurtured as 130 separate 5 acre blocks where the focus is on individual block conditions. That's where the flavour starts.
