

TROPHY & GOLD MEDAL CLASS 4 OTHER WHITE VARIETALS

Australia & New Zealand Organic Wine Show 2008

Yalumba Organic
Riverland Viognier 2007

Made from grapes grown in the Barich family vineyard at Loxton, South Australia. Passionate believers in all things organic, Tony & Pam Barich have established a vineyard which has been certified as organic for more than ten years. Made with strict organic wine techniques this wine was fermented with indigenous yeast with little intervention from the winemaker. The 2007 Viognier delivers a flavour profile more aligned with cooler regions and exhibits the typical Viognier texture-silky, rich and luscious with a fresh finish.
